## Pathway Family Services

### About Us

*Mission: Devoted to the Strength of Family*

Pathway Family Services is a 501 (c) 3 nonprofit organization created to provide diversified services that strengthen youth and families. What once started as an independent living called Teens Reaching Adult Independent Living (TRAIL) in Topeka, has grown to offer a continuum of care of services in multiple locations. In addition to the Pathway Protection Center for Children, Pathway Family Services offers a Psychiatric Residential Treatment Facility in Topeka, TRAIL sites in Wichita, Topeka and Kansas City, foster home sponsorship as well as outpatient behavioral health services including DUI Evaluations in Topeka. All programs reside in separate spaces within any of our locations.

Accreditations  
COA and CARF

### Our Program

The Pathway Protection Center for Children is a 20-bed facility offering emergency placement 24/7, including weekends and holidays, to children ages 6 and older who are in need of a short-term, temporary safe placement until permanent placement can be found.

Skilled staff at the Pathway Protection Center for Children provide care, structure and supervision for youth who have been removed from their homes and placed in Police Protective Custody or in foster care through the Department of Children and Families.

Our facility offers a dorm-like setting with one and two person bedrooms, transportation to and from local schools, a cafeteria, washroom, courtyard with a basketball court, and a playground.

### Benefits
